13.02 Time When Ordinances Take Effect. All ordinances heretofore passed or that may hereafter be passed by the Board shall take effect and be in force from and after their passage and publication, unless otherwise ordered.

13.03 Place of Imprisonment. When imprisonment is imposed in default of payment of forfeitures and costs of prosecution for any offense under the provisions of this Code, it shall mean imprisonment in the County Jail of the County of La Crosse.

13.04 Costs and Penalty Assessments to be Included in Penalty.

(A) When a forfeiture is imposed for a violation of any of the provisions of this Code, the court shall also sentence the defendant to pay, and shall give judgment for the costs of prosecution, whether the section under which said prosecution or proceeding is had shall specifically direct or not.

(B) Whenever a forfeiture is imposed for a violation of any of the provisions of this Code, except for those ordinances involving non-moving traffic violations, there shall be imposed in addition a penalty assessment in an amount of Fifteen (15%) percent of the forfeiture imposed. If the forfeiture is suspended in whole or in part, the penalty assessment shall be reduced in proportion to the suspension. The penalty assessment shall be collected and transmitted monthly to the state treasurer according to \$165.87 and \$66.0114, Wis. Stats.

13.05 General Adult Penalty.

(A) General Penalty. Except where a penalty is provided elsewhere in this Code, any person seventeen (17) years of age or older who shall violate any of the provisions of this Code shall, upon conviction of such violation, be subject to a penalty, which shall be as follows:

(1) First Offense - Penalty. Any person seventeen (17) years of age or older who shall violate any provision of this Code shall, upon conviction thereof, forfeit not less than Ten Dollars (\$10.00) nor more than Five Hundred Dollars (\$500.00), together with all court costs; jail, crime lab, penalty and other assessments; and any other taxable item of cost as provided for by the laws of the State of Wisconsin as applicable to forfeiture actions that are in effect at the time of the offense, and any other taxable costs as imposed by any other provision of this Code. In default of payment of such forfeiture and costs, may have his/her driving privileges suspended per Sec. 345.47(1)(b), Wis. Stats., or be imprisoned in the County Jail until such forfeiture, costs and assessments are paid or both, but not exceeding 90 days. Forfeiture amounts are subject to Village Board annual review and approval and may be changed from time to time by Village Board Resolution.

(2) Second and Subsequent Offenses - Penalty. Any person seventeen (17) years of age or older who is found guilty of violating any Ordinance or part of an Ordinance of this Code who has previously been convicted of a violation of the same Ordinance or part of an Ordinance within three (3) years from the date of the last offense to the date of the current offense shall, upon conviction thereof, forfeit not less than Fifty Dollars (\$50.00) nor more than One Thousand Dollars (\$1,000.00) for each such offense, together with all court costs; jail, crime lab, penalty and other assessments; and any other taxable costs as provided for by the laws of the State of Wisconsin as applicable to forfeiture actions that are in effect at the time of the offense, and any other taxable costs as imposed by any other provision of this Code. In default of payment of such forfeiture, costs and assessments, may have his/her driving privilege suspended per Sec. 345.47(1)(b), Wis. Stats., or be imprisoned in the County Jail until such forfeiture and costs are paid or both, but not exceeding ninety (90) days. Forfeiture amounts are subject to Village Board annual review and approval and may be changed from time to time by Village Board Resolution.

(B) Continued Violations. Each violation and each day a violation continues or occurs shall constitute a separate offense for which a separate penalty shall be assessed. Nothing in this Code shall preclude the Village from maintaining any appropriate action to prevent or remove a violation of any provision of this Code.

(C) Other Remedies.

(1) The Village shall have any and all other remedies afforded by the Wisconsin Statutes in addition to the forfeitures, costs and assessments.

(2) Execution or Assessment Against Defendant's Property. Whenever any person fails to pay a forfeiture, costs or assessments upon the order of any court for violation of any ordinance of the Village, the court may, in lieu of ordering imprisonment of the defendant, or after the defendant has been released from custody, issue an execution against the property of the defendant for said forfeiture, costs and

assessments. In the alternative, upon authorization of the court imposing an such forfeiture, costs and assessments, such sum as remains unpaid shall be assessed against any real property owned by the defendant within the Village and shall be added to the Village's portion of the property tax liability.

(3) In addition to any forfeiture imposed under this Section or any other penalty section of the Code of Ordinances of the Village of West Salem, the Village may institute an action or proceeding to enjoin any violation; and such violation or any nonpayment of any forfeiture, costs and assessments, shall constitute the basis for suspension, revocation or denial of any and all licenses and permits wherein the Village is the issuing authority by the officer or department issuing the same, or by the Village Board after allowing hearing on the same, or by a court of competent jurisdiction upon conviction of an ordinance violation.

(D) Time to Pay. Any forfeiture, costs and assessments imposed as a penalty pursuant to this Section or any penalty provisions of this Code shall be payable forthwith if so ordered by the court; however, the court may, in its discretion, allow reasonable time for payment, or reasonable payment plans, considering the defendant's ability to pay, and the court shall allow any time for payment or payment plan as provided for by any state law applicable at the time of imposition of the forfeiture.

(E) Exceptions. These general penalty provisions shall not apply in those cases where State Law or this Code of Ordinances expressly limits or prescribes the amount or nature of the penalty.

13.06 General Juvenile Penalty.

(A) Disposition of Children Twelve (12) Through Sixteen (16) Years of Age Adjudged to Have Violated an Ordinance. (Upon stipulation of the parties and subject to the approval of the court upon a finding that such stipulation is in the public interest and serves the interests of justice, the court may impose terms not to exceed One Hundred Dollars (\$100.00) against the defendant upon dismissal of the action.) Forfeiture amounts are subject to Village Board annual review and approval and may be changed from time to time by Village Board Resolution.

(B) Juvenile Disposition Alternatives for Alcohol/Drug Offenses.

- (a) A forfeiture;

- (b) Participate in an outpatient AODA treatment program if an AODA assessment recommends treatment;

(2) A forfeiture not to exceed the maximum forfeiture that may be imposed on an adult for committing the same violation.

(3) If a forfeiture is for a violation that is only applicable to a juvenile, the maximum forfeiture amount is Three Hundred Dollars (\$300.00) plus costs. Forfeiture amounts are subject to Village Board annual review and approval and may be changed from time to time by Village Board Resolution.

(4) Suspend a fishing, hunting or driving license from ninety (90) days to five (5) years for failure to pay the forfeiture.

(5) Order the juvenile to participate in a supervised work program or other community service work.

(6) Order participation in an AODA assessment, an outpatient AODA treatment or an AODA education program.

(b) The juvenile admits or pleads no contest to the allegations that the juvenile was truant in open court with the juvenile's parent, guardian or legal custodian present;

(c) The juvenile has not successfully completed participation in a teen court program during the two (2) years before the date of the alleged violation.

(D) Violation of Juvenile Dispositional Orders. The Court may impose the following sanctions on a juvenile who has

attached, or the use of one word or words where it is manifest that a different word or words should have been used to express the intent of any provision, such spelling shall be corrected and such word or words supplied, omitted or substituted as will conform with the manifest intention, and the provisions shall have the same effect as though the words correctly spelled, and as supplied, omitted or substitute, were used originally. But this Section shall not have the effect of permitting any change to be made should there exist doubt as to the meaning of the provision in question.

13.15 Conflicts. If the provisions of different chapters of this Code conflict or contradict each other the provisions of each chapter shall prevail as to all matters and questions growing out of the subject matter of such chapter. If conflicting provisions be found in different sections of the same chapter of this Code, the provisions of the section which is last enacted shall prevail unless such consideration be inconsistent with the meaning of such chapter.

13.16 Severability Clause. If any section, subsection, sentence, clause or phrase of this Code of Ordinances is for any reason held to be invalid or unconstitutional by the decision of any court of competent jurisdiction, such decision shall not affect the validity of any other section, subsection, sentence or phrase or portion thereof. 13.19 Reference to Amended Sections. Whenever in this Code reference is made to any other section or subsection of this Code, such reference shall extend and apply to such section or subsection as hereafter amended, revised or re-enacted, as long as such section or subsection referred to deals with the same subject matter as when the reference was made. If any section or subsection be repealed and re-enacted under another number dealing with the same general subject, whether in the same or in other language, existing references to such section or subsection as originally numbered shall thereafter be construed to apply to the section or subsection as it exists under its new number.

13.20 Documents Incorporated by Reference. taxes.

(a) cause the cutting of the weeds and grass by the Public Works Department. The Public Works Director shall report all work done under this Ordinance to the Village Administrator. The Village Administrator shall send a statement of charges to the responsible party. The statement is to conform to the following schedule:
