

The Village People

-2012-

Village People Mission Statement: *“We facilitate ideas, programs and projects that will benefit our community.”*

In 2012, we will continue working to accomplish the goals of our mission statement. By hosting fundraisers for the West Salem Area Boys and Girls Club, we help them carryout their programs, and bring an awareness of the Club to the community. In order to enhance the business climate and improve the multi modal use of our downtown, we are promoting programs such as the Pathways project and the Farmer’s Market.

The Village People Continues to be Involved . . .

March 18.....Participates in Celebrate West Salem at the W.S. High School from 11:00 a.m. - 3:p.m. This is a great venue to learn about businesses, civic groups, churches, etc. in our area.

April 12.....Sponsors Taco/Nacho Night as a fundraiser for the West Salem Area Boys and Girls Club. This fun-filled event, held at the High School, includes food and a silent auction and raffle. For detailed information on the Club, go to their website at www.bgcws.org.

May 19, June 16,
Aug. 18, Sept. 15.....Hosts brat and pork chop sales at Hansen’s IGA to benefit the West Salem Area Boys and Girls Club and the Village People. Let us make your sandwich for lunch on these dates!

June 13 to October 23.....Promotes a Farmer’s Market held downtown, by the bike shelter, each Wednesday from 2:00 - 6:00p.m. This is your opportunity to buy locally grown, fresh garden produce.

In Addition.....The Village People will be selling Right Response First Aid Kits as a fundraiser this year. Some of the types of useful kits include those for the home, auto, kitchen, gardening and sports. Be watching for the opportunity to purchase yours!

Looking Forward.....We are anxiously waiting for the Pathways project to begin construction in our downtown. As this started as an original vision of our Village People group, we look forward to its completion this year.
